Al darle a Firmar ahora en consentimientos no encuentra la pagina de firmar

The image shows a web browser window with a 404 error message. The browser's address bar displays the URL: `erp.medicalsoftplus.com/gt1300/FirmasPacientes/FirmarDocumento/RDJBUE...`. The error message reads: "Error 404 - Not Found" and "The document you are looking for may have been removed or re-named. Please contact the web site owner for further assistance."

Overlaid on the browser window is a modal form titled "Enviar Firma". The form contains two sections: "Whatsapp" with a text input field containing the number "502", and "Correo" with an empty text input field. At the bottom of the modal, there are three buttons: "Cerrar" (red outline), "Enviar Firma" (teal outline), and "Firmar Ahora" (solid teal). The background of the browser window shows parts of a website with text like "Ciru" and "Agregar Exámenes".

## Error 404 - Not Found

The document you are looking for may have been removed or re-named. Please contact the web site owner for further assistance.
